

OSA - 3778-64

10 August 1964

Dear Gregg,

Reference is made to AIL-015. The following items have been researched by the Project Support Office and determined not available in DOD assets.

Vacuum Cleaner, Black & Decker 26-1A	1 ea
Phase Resolver, Merrimac R-60	1 ea
Probe, Narda 299B	1 ea
Bolometer, Narda H601B	1 ea
Variable Attenuator, AIL 03060	1 ea

Request the above be researched by you again for essential requirements only. Upon completion of your research, an itemized listing to include estimated prices should then be submitted to the Contracting Officer for appropriate consideration.

Info copy of your correspondence should be forwarded this office as well as the Project Support Office.

Best regards,

George
